Salary adjustments

37 The salary adjustments include personal services and employee related
38 expenditures for state officers and employees in accordance with the
39 department's or agency's compensation plan.

40 For fiscal year 2006-2007, the joint legislative budget committee staff
41 shall determine and the department of administration shall allocate to each
42 agency or department an amount sufficient to increase the annual salary level
43 of each employee by 9.5 per cent effective July 1, 2006. The increases shall
44 apply to less than full-time employees on a prorated basis.

1 The joint legislative budget committee staff shall also determine and
2 the department of administration shall allocate adjustments, as necessary, in
3 total expenditure authority to allow implementation of the salary
4 adjustments.
